

The Napa Valley Taxpayers Association

PRESENTS AN EVENING WITH

MASON HARRISON

California's November Ballot Propositions

WHAT THEY MEAN FOR NAPA COUNTY AND YOUR WALLET

Mason will be sharing his insight on the **numerous California ballot propositions** on this November's election, with a focus on their impact on taxpayers, local communities and the future of California.

In recent years, Mason has led external affairs for the \$1B transformation of the Transamerica Pyramid Center in downtown San Francisco, served as a senior advisor to multiple gubernatorial candidates, and guided communications for high-growth companies in real estate, robotics and AI, including Remy and Empathic.

Mason also co-founded State of Gold, a media enterprise focused on spotlighting the policy ideas and voices working to restore affordability, dynamism and opportunity in California.

"The Napa Valley Taxpayer Association was started in the 1960's to ensure the Napa taxpayers were being treated fairly and not over burdened by local and state taxation. We welcome all the residents of Napa County to participate in holding our elected officials accountable in the use of their Tax Dollars."
